## 7<sup>th</sup> Grade Elective Selection (2015-2016)

***It is VERY important you submit this form. If you do not submit an elective selection form, you will be randomly assigned electives.***

The school day will consist of 7 periods/classes. Five will be required subjects of science, math, social studies, language arts, and physical education. Students choose their elective classes from the choices below. Due to class size limitations and scheduling conflicts, students may not always get their elective choices. **Also, some electives may not be offered due to possible changes in staffing.**

**Directions:** Choose electives by marking with an X to fill 2 full year elective periods (or 4 semesters total).

For example:

Mark 2 Xs in full year elective choices

or

Mark 1 X in a full year choice and mark 2 Xs in ½ year – semester choices

or

Mark 4 Xs in ½ year – semester choices

**Please mark 2 or more alternative choices with an A. (These are back up if your first choice is not available.)**
