## 7<sup>th</sup> Grade Electives (2017-2018)

***It is VERY important you submit this form. If you do not submit an elective selection form, you will be randomly assigned electives.***

Students choose their elective classes from the choices below. Due to class size limitations and scheduling conflicts, students may not always get their first elective choice. **Also, some electives may not be offered due to possible changes in staffing.**

**Directions:** Looking at all choices, please rank elective options below with a 1, 2, 3... through 10  
(a 1 indicates the class you want the most).
